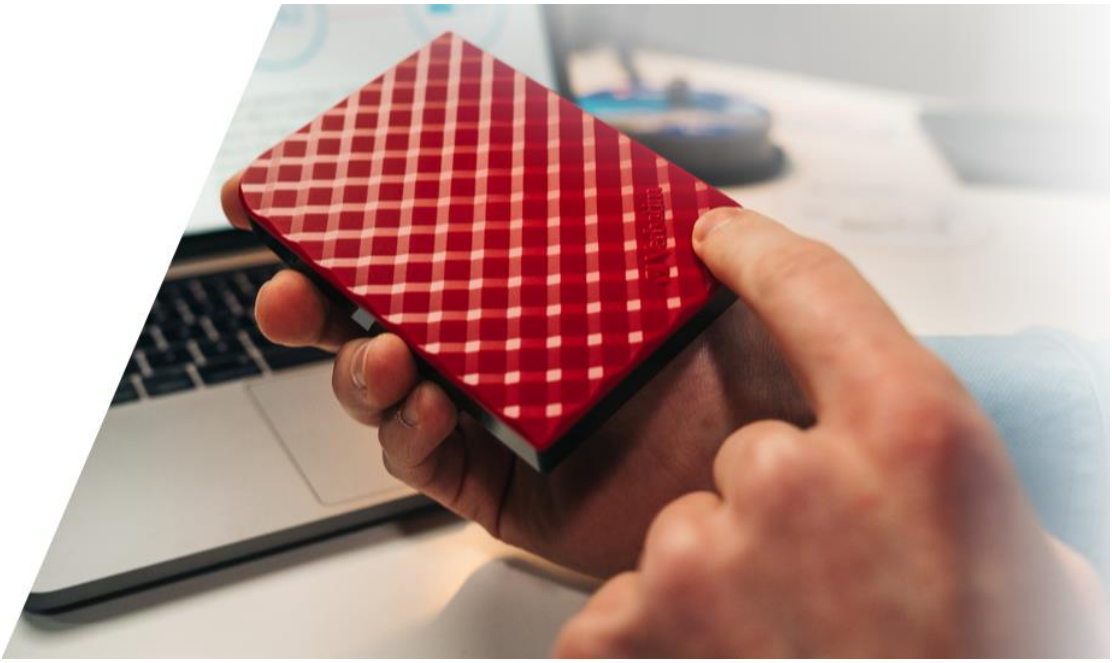
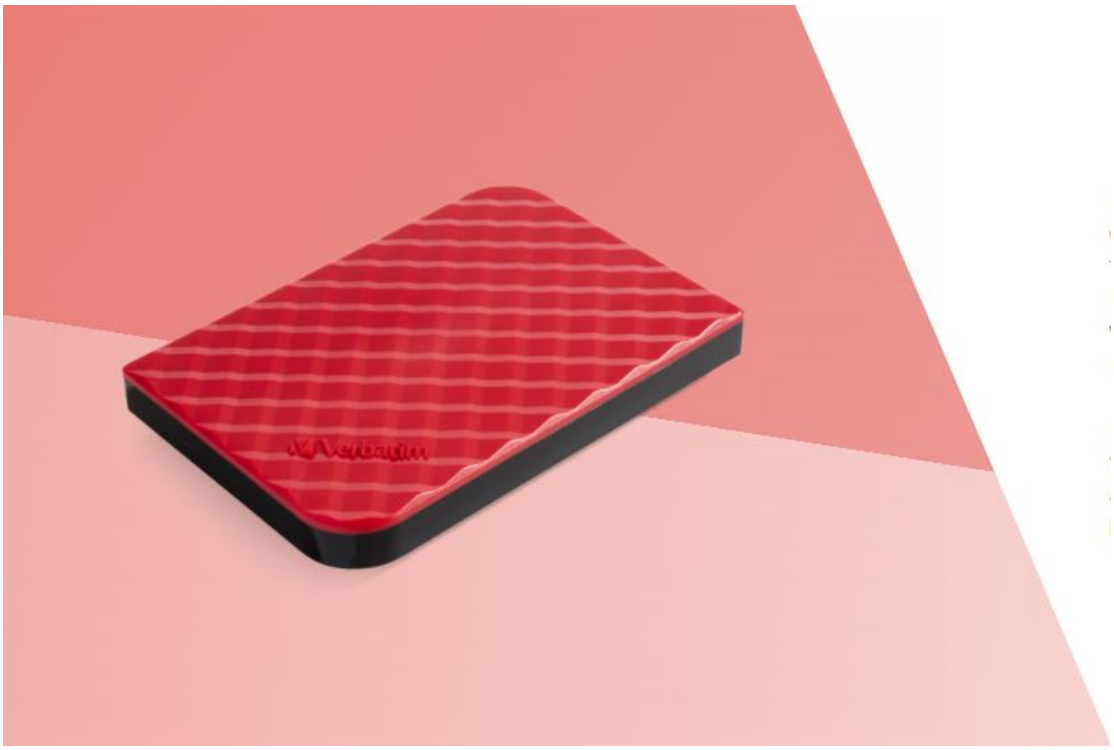
VERBATIM 1TB USB 3.0 Store 'n' Go Gen 2 RED (53203)

Εξωτερικός Σκληρός Δίσκος HDD





Overview

The Verbatim Store n Go portable hard drive features high performance storage using a USB 3.0 “Super Speed” interface. USB 3.0 offers up to 10 times faster data transfer rates than USB 2.0 (based on USB bus speed) providing ultra fast data transfer on the go.

Store and carry your digital and day to day working files on this truly mobile drive. Its stylish design sits neatly on the modern desk top as the perfect accompaniment to your laptop.

Store n Go portable hard drive is USB 3.0 bus powered (1 x USB 3.0 interface) yet is backwards compatible to any USB 2.0 ports on your PC or notebook. The drive requires no external power for operation; simply plug n play.

Drives that are 2TB or under are formatted in FAT32 allowing them to operate immediately on Windows and Mac OSx. Drives above 2TB are formatted in NTFS which is compatible for Windows systems but require Mac users to reformat the drive to HFS+ to make them fully compatible with Mac OSx operating systems. HFS+ formatting can be applied by using the Verbatim VHD Formatter which is on the drive.

For added security Nero Backup software is provided to help back up your laptop or PC's hard drive. Backup provides an application to back up all your files, folders, and drives whenever you want, or schedule the auto back up to a set time for added security.

Nero Backup Software is compatible with Windows XP, Vista, Windows 7, Windows 8 and Windows 10 (not compatible with Mac OS).

Verbatim Store 'n' Go Portable Hard Drives also come with Green Button energy saving software. Green Button software suspends the hard drive from spinning while not in use increasing efficiency and saving energy.

There are 3 'Sleep Setting' options. Set the suspend mode to come in after 10 minutes of use, or by increments of 10 minutes up to 120 minutes. Set the drive to suspend immediately by double clicking the Green Button icon on the desktop, alternatively you can set the drive to 'Never Suspend the disk'

System Requirements

PC or Mac with USB 3.0

Windows XP / Vista / Windows 7,8 & 10

Mac OS X 10.4 or higher

Product Details

Part Number: 53203

Capacity: 1TB

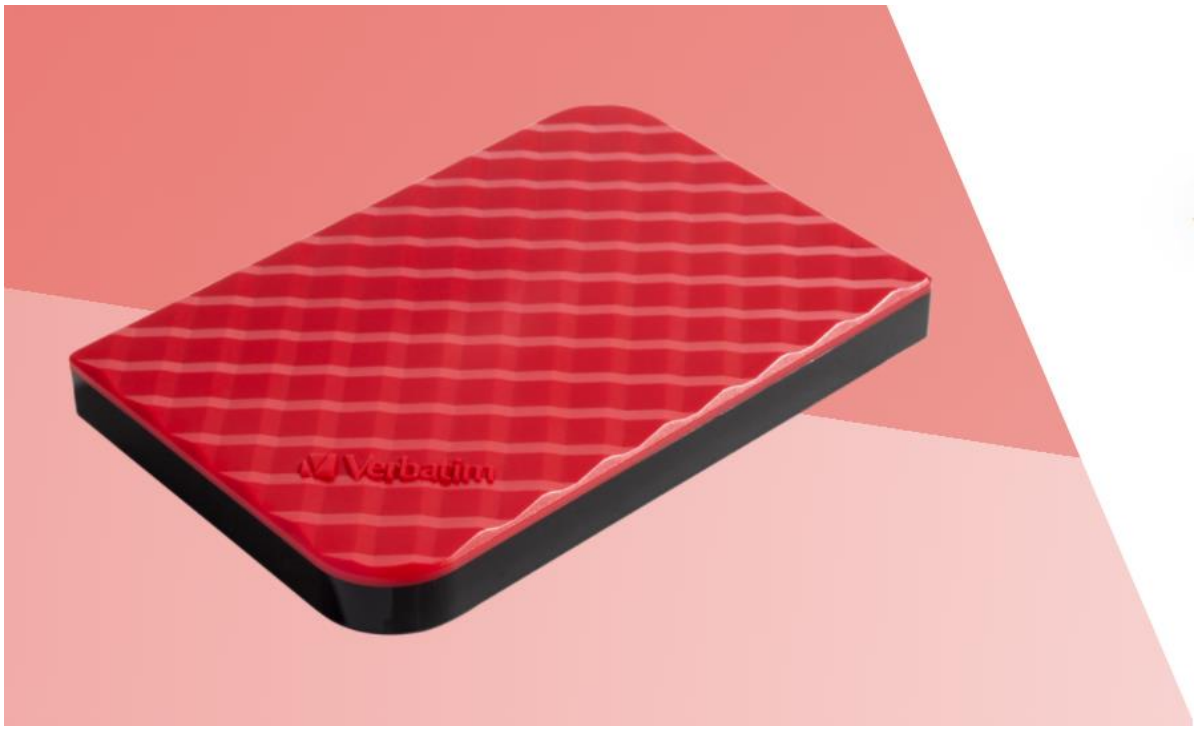
Interface: USB 3.0

Dimensions: 119mm x 81mm x 14.5mm

Product Weight: 158g

- High speed, high capacity storage. A fast & safe solution to expand storage or backup files
- USB 3.0 SuperSpeed - for ultra fast data transfer
- USB plug 'n' play (no additional power required)
- Nero Backup Software
- Energy Saving Software
- USB REC & PLAY* - supports USB recording/ playback

*may not be available in some countries.



Specifications

- Power: Bus powered via USB 3.0 cable
- Interface: USB 3.0 / 2.0 port
- Data Transfer Rate: up to 4800 Mbits/second (USB Bus Speed)
- Rotational Speed: 5400rpm
- Cache: 8MB or greater
- Operating Temperature: 5°C to 50°C
- Storage Temperature: -40°C to 70°C
- Operating Humidity: 5 to 90%, non condensing
